

Bucharest, February 27, 2025

Dear Mr. / Ms.,

I am writing this reference at the request of Patricia Camara, who is applying for an internship within your company.

I have known Patricia for one semester in my capacity as a teacher at The Bucharest University of Economic Studies, Faculty of Cybernetics, Statistics and Economic Informatics in the academic year 2024-2025. Patricia took Object Oriented Programming in C++ from me and earned superior grades. Based on Patricia's grades, attendance, and class participation, I would rate her academic performance in my classes as excellent.

Patricia has demonstrated determination, commitment, and passion for the Information Technology domain, especially within the programming area of study. She fulfilled all the requirements within the specific deadlines and successfully responded to all the assigned tasks.

In conclusion, I would recommend Patricia Camara as an intern or employee for your company. If her performance in my classes is any indication of how she would behave in her new position, Patricia will be a positive addition to your company. If you should ever need any additional information, you can feel free to contact me by email at bogdan.iancu@ie.ase.ro.

Sincerely,

Bogdan IANCU, PhD.

Associate Professor, Department of Economic Informatics and Cybernetics
The Bucharest University of Economic Studies (www.ase.ro)
